

ESCAPE INTO THE WILDERNESS

VASAPOLKU

Observe nature with Elska the Gnome on the Vasapolku Trail.

What is the wind whispering? What are the big things in the life of Siiri, a small lemming? Do trees grow a beard? This activity trail for children and the young at heart begins from the Kiilopää starting gate. The information boards present Elska the Gnome from the Ukselmapää Fell, who will guide your exploration of nature while engaging all five senses.

ROUTE DESCRIPTION

The Vasapolku Trail is intended for the youngest family members and hikers looking for fun experiences. The trail begins from the Kiilopää starting gate. The information boards along the trail suggest various nature observation activities.

The Vasapolku Trail takes approximately one hour to complete. At the end point of the trail, there is a campfire site and a playground where you can "climb like a bear cub". You can take the trail at all times of the year.
