

Hossa Nature Trail, 3 km

- Starting point: the left corner of day parking area opposite the visitor centre.
- Recommended direction of walk: counter-clockwise.
- Trail markings: Wooden posts with blue cone symbols.
- Please note, that there are many other paths crossing the nature trail. Be careful to stay on the right route.
- The section marked with a white dashed line on this map is also suitable for the disabled.
- There are no waste bins at the campfire sites. Clean paper and cardboard may be burned at campfire. Bio waste may be left in the dry toilets. Bring other waste to the recycling point situated in the day parking area.
- It is forbidden to light an open campfire if the forest fire warning is in effect. You may still use the fireplace inside the large lean-to shelter on the shore of the pond Huosilampi.
