

HUIPPUPOLKU TRAIL 1 KM

Take a trip to the fells

Outdoor life on wooded hills

Visit the southernmost arctic fell in Finland on a guided nature trail located at the peak of Iso-Syöte. The top features a magnificent view over Syöte National Park. During the wintertime, the snowy sights and northern lights create a wholly unique atmosphere on the fell.

BASIC TRAIL INFORMATION:

- **Start point:** Hotel Iso-Syöte parking lot, Isosyötteentie 246, 93280 Syöte
- **Length:** 1 km
- **Duration:** 1 h
- **Difficulty:** Easy (Flat or gently rolling terrain, firm and even surface, duckboards where necessary. The trail is clearly marked and signposted.)
- **Open:** During the summer as a walking route
- **Trail markings:** Trail markers and information boards

SIGHTS:

- View from the top of the fell over the hills and forests in the hiking area and Syöte National Park

RECOMMENDED GEAR:

- Good running shoes and weather-appropriate clothing

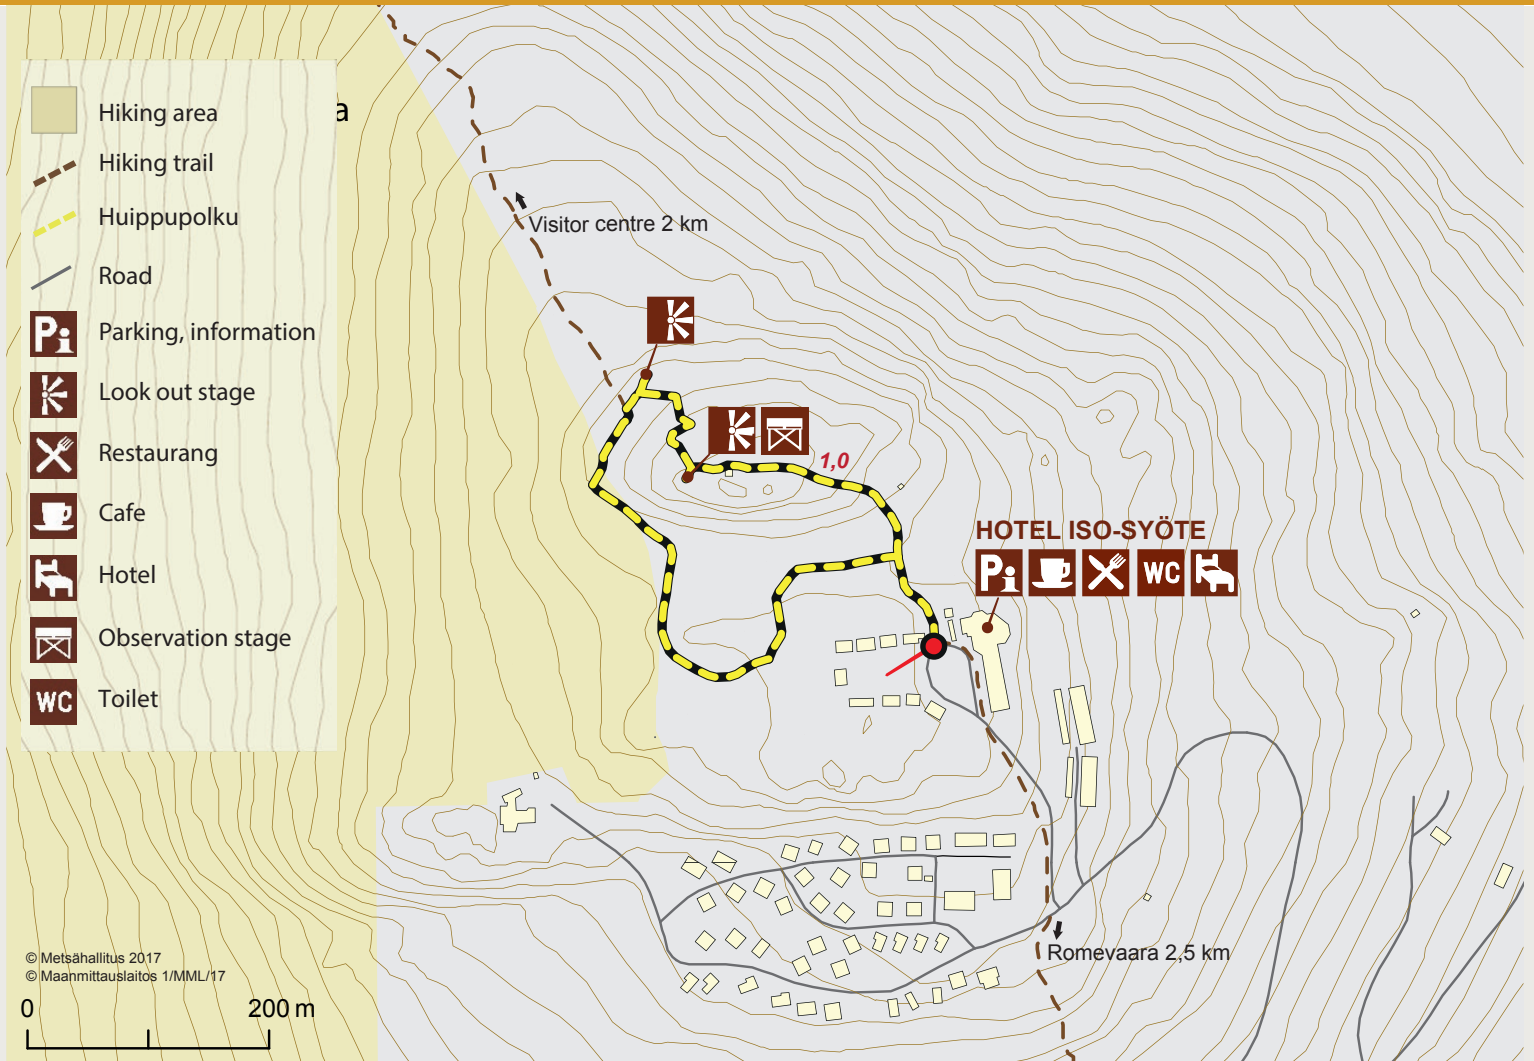

SERVICES ALONG THE TRAIL:

- The top of the fell features an observation deck as well as an observation platform a little further below.
- The region's tourism companies provide versatile services for tourists.

Trail guide

TRAIL TOPOGRAPHY:

TRAIL DESCRIPTION:

The Huippupolku Trail (Fell Top Trail) in the Iso-Syöte hiking area is a circle trail that starts from the parking lot at Hotel Iso-Syöte.

The trail goes to the top of the fell and then returns back to the hotel. The top of the fell features large, bare rocks that are perfect for summer picnics.

GOOD TO KNOW:

- tour/mountain biking is only allowed on roads and separately-marked biking routes along the trail.
- pets are welcome on the route and in the huts. Please remember to keep your animal friends leashed at all times.
- there are no waste receptacles at the rest stops, so please remember to "Leave No Trace"
